

Curriculum vitae and biographical data.

Name	PINNA Gérard Aimè
Date of Birth	August 01, 1952
Birth-place	Courçelles (Belgium).
Nationality	Italian
Marital status	Married
Address	Department of Chemistry and Pharmacy Via F. Muroli, 23, 07100-SASSARI. @-mail: pinger@uniss.it
Education	1971 General certificate of education 1975 Bachelor's degree in Pharmacy
Personal history	1975-79 Executive Technician 1980-85 Assistant professor 1986-00 Associate professor 2001- Professor
Fields of studies :	Bioorganic chemistry in the interface of Biology and Chemistry; Heterocyclic chemistry.
Research activities:	Organic synthesis of heterocycles; Studies of structure Activity relationships on heterocyclic leads by designing new congeners; preparation of chiral ligands for asymmetric catalysis.
Association and activities	Member: Chemical Society of Italy (Medicinal chemistry division); Italian phytochemistry association. Referee: Journal of Medicinal Chemistry, Bioorganic and medicinal chemistry. Publications: 139; Patents: 25. Poster presentations: 51.
Award and honor	Bioorganic and Medicinal chemistry. Most cited paper 2003-2006 award.

Tetrahedron: Asymmetry. Most cited paper 2004-2007
award.
